FUN FACTS

Owen Vaccaro started acting at the age of seven.

The story's setting is in the fictional city of New Zebedee that is based on Marshall, Michigan but actually filmed in Newnan, Georgia.

Jack Black trained for this role with help from magician David Kwong.

Isaac Izard's initials are hidden in the wallpaper in the house.

The set for Jonathan's solarium was filmed in the prominent Candler Mansion which was once owned by the Coca-Cola family.

"Watching Jack Black take a face full of pumpkin was one of the highlights of my career. I've never been so happy." – Eli Roth

Some of the creepy automatons that come to life were borrowed from the personal collection of Steven Spielberg.
